In an effort to reduce the supplies students need to carry from class to class, third grade classrooms will use community supplies. Each teacher will collect the crayons, scissors, markers, colored pencils, erasers, glue, highlighters, notebooks, paper, Ziploc bags, tissues, and wipes your child brings to school. Please do not put your child's name on these supplies. We will make sure these supplies are available to every student when they are needed in each class. Students will be in charge of keeping their own pencils and erasers, making sure several sharpened pencils are with them for each class.

The third grade teachers respectfully request NO large, zippered notebook binders (they do not fit in the desks), book bags with wheels, or personal pencil sharpeners be brought to school.
